Dear Mr Szabó,

It was with great sadness that I received the news that Budapest 2024 for the Paralympic and Olympic Games had, had to withdraw its bid.

When we met at the end of November the passion showed both by yourselves in the National Paralympic Committee and also the Budapest 2024 team was inspirational for me and for the entire Paralympic Movement.

We are sharing in your sadness at this most difficult time but can assure you that you will have every support possible from us to move forward with the development of para sport in your nation.

Kindest regards to everyone involved.

I am also writing to the President of Budapest 2024.

Yours sincerely,

CC: IPC Governing Board Members
